### Suppressor Purchase Procedure

- 1. Set up an account on Silencershop.com.**  
(You will only need to enter your name, email, and choose a password.)
- 2. Choose and pay for your suppressor(s).** If we do not have the one you want in stock, there's a plethora of options on silencershop.com that you can order and have sent here, with no transfer fees. *(If you purchase from silencershop.com, make sure you have us selected as your preferred dealer on the top right corner of the screen so that your suppressor comes here, not a shop in another state.)*
- 3. Decide whether you want to register the suppressor as an individual or as a trust.** *Note: If you choose trust, everyone on your trust will have to come into the store to complete step #4 before your form can be processed. Trusts may be set up by an independent lawyer or through Silencershop.com.*
- 4. Complete your account setup, including fingerprints, on our kiosk.**
- 5. Purchase a \$205 tax stamp through your silencershop.com account for each suppressor purchased.** (Listed under services, or just type "tax stamp" into the search bar.)
- 6. Watch for an email from Docu-sign for you to review and sign your form4 electronically.**

7. **Create an account at eforms.atf.gov.** (Click the green “register” button.) Fill in the required fields, making sure that the information you input is **exactly** the same as information on your silencershop account (i.e. Tim vs. Timothy). **Make note of your password and PIN number. Your username will be emailed to you.**
  
8. **Watch for an email letting you know that we are “ready to certify.”** **You will need your eforms username and PIN number to do this.** We can do this in store or remotely if you have a good internet connection. Right now Nena is the only one set up to certify forms. Typically she works Monday -Thursday from 10-5 EST and Saturday & Sunday from 12-5 EST, but it is not a bad idea to call ahead just to make sure she is in and the government website is up and running.
  
9. **Wait-The Hard Part!** Once you have received your two emails from “Eforms Notifications” (one is a receipt, the other is a copy of your completed and submitted form4) you are done! We will give you a call when your stamp arrives and you can stop in to fill out the form 4473 and pick up your suppressor!
